

## **Be a Conference Partner**

We, the organizers of the conference, on behalf of Transportation Engineering Group, Indian Institute of Technology Roorkee, India invite your Ministry / organization / institution / company to become the **Conference Partner** for International Conference ‘**Transportation Infrastructure Projects – Conception to Execution**’ (TIPCE2019) ([www.tipce2019.in](http://www.tipce2019.in)). The aim of the conference is to bring academia, government officials, infrastructure related companies and consulting organizations, along with other transportation professionals at one platform to discuss the issues related to project stages like planning, design, construction and operation. We look forward to arrive at a roadmap that will channelize and synchronize the energy at all levels towards same goal i.e. Sustainable Transportation Infrastructure with indigenous knowledge.

In the light of the above we will arrive at win-win situation for all the participants.

### **What we Gain?**

We will surely gain impetus by associating with the name of your Ministry / organization / institution / company. This will help in getting the stakeholders to the conference. Delegates are the soul of a conference and we will invent that soul out of your support.

### **What you Gain?**

Your Ministry / organization / institution / company will get a platform to put forward the areas of concern to the participating officials to seek from them the possible directions leading to solutions. If needed sessions can be oriented to specific needs of Ministry / organization / institution / company, if communicated in advance.

### **What Conference Expects?**

The organizing team of the conference expects a **Financial Support of 7.50 Lakh** and offer –

1. **Technical Head will deliver in a plenary session.** Local hospitality will be taken care off by the conference.
2. **Five delegates will be nominated** for attending all sessions of the conference. The conference fee will not be charged.
3. Conference partner will spread the conference information to other working in transportation infrastructure field.
4. The support will be acknowledged through website and during conference.
